

CIS 2336

Internet Application Development

Technologies: Client and Server Side

- HTML
- CSS
- Javascript
- SQL

Textbooks

Grading

- 2 Exams - **30%**
- Portfolio Project Website - **40%**
- Homework/Participation - **30%**

Attendance is expected at all class meetings. As expected in a hybrid class, there will be regular (weekly) assignments. These assignments will include readings as well as active assignments. Often times, these assignments will be distributed in class. Any content covered in an assignment, such as a video, should be considered testable.

Class Schedule

Development Environment

- Sublime Text 3 - <https://www.sublimetext.com/3>
- Google Chrome - <https://www.google.com/chrome/>
- Nodejs - <https://nodejs.org/en/download/>
- BrowserSync - <https://browsersync.io/>
